II CONCEPT

industrial dazzle

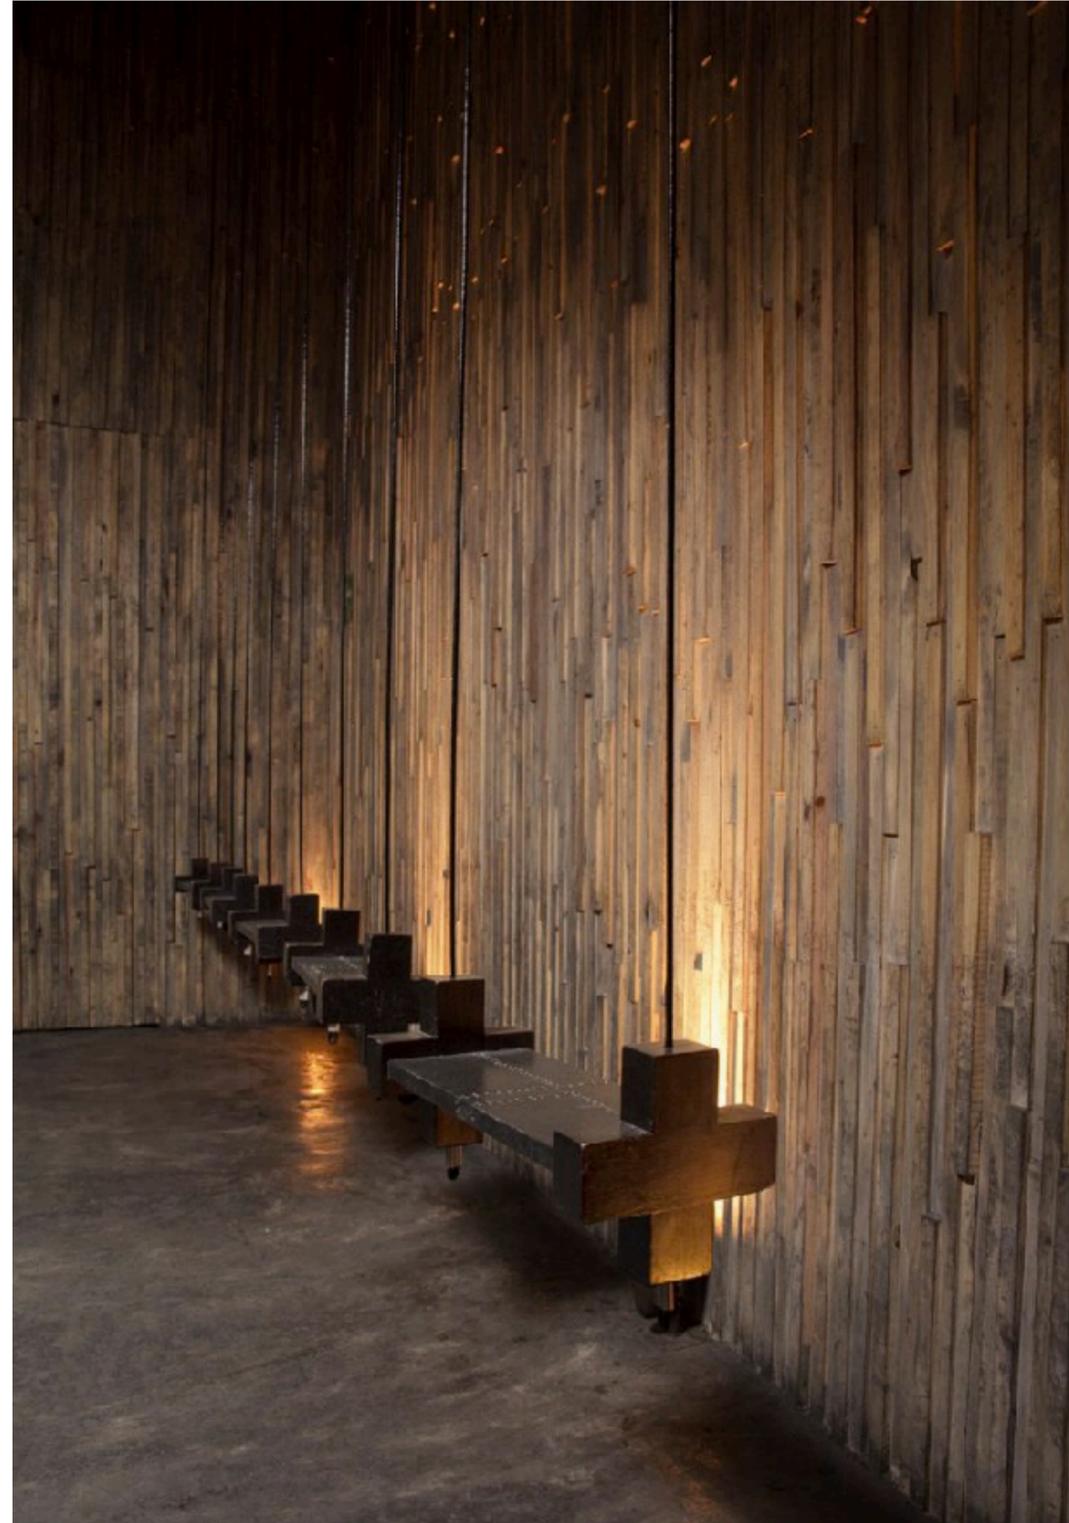

La fuerza de materiales como el concreto, el fierro, la madera y algunos detalles industriales muestran su belleza cuando se ponen bajo el haz de luz ámbar que despierta bb glow.

II M.N ROY

El hotspot que pocas veces es visitado de día, su arquitectura nos recuerda a una colmena, pequeño y acogedor con luz ámbar, sin mas razones es nuestro recinto ideal.

II VANDERBILT

Hexágonos en el piso, espejos con la misma silueta, iluminación ámbar, pequeñas abejas como parte de la decoración hace que Vanderbilt nos adentre en una gran colmena.
